July 9, 1940 - February 13, 2012

Judith left us Monday evening, February 13, 2012 after a long, brave and vigorous battle with cancer. She passed away surrounded by her children and loved ones.

Judith was born in Jackson County, Missouri on July 9th, 1940. She was the loving daughter of Alfred and Genevieve Daniel. As a young family they moved to California where she attended and graduated from Hayward Union High School. She had many good friends who shared her love of horse back riding ,cruising around in her jeep, dancing and art.

She married Carl Preinitz and had five children. They moved many times and lived in several cities throughout the Bay Area, but always had a home base at her parents home in the Hayward hills, where the family spent many happy days swimming in the pool and enjoying the playhouse built by her family.

Judy worked for nearly twenty years at what is now known as San Leandro Hospital. She enjoyed her position as a switch board operator and was very proud of her professional speaking voice.

After she retired, she overcame a few very serious health issues, and went on to enjoy spending her time with her children and grandchildren, whom she loved with all her heart. She lived for her family, taught them many lessons, and left them with many fond memories. One of our favorites was her love of visiting garage sales; sifting through estate sales, swap meets and thrift stores; playfully, and quite impressively, bargaining for the best deals (and more often than you would think, finding that hidden treasure).

Judith had a very strong and profound love for Jehovah, her god. She was active in her faith, and very happy and eager to share it with others.

She is survived by her Aunt Ida (Flo) Anderson, son Alan Preinitz, daughters Denise Machado, Karen Preinitz, Michelle Agualo, Dana Preinitz and her seven grandchildren

Zachary Agualo, Karl Rossiter, Gage Rossiter, Jason Labayog, Evan Machado, Jennifer Labayog and Jacob Agualo; and left behind many loved ones including her cousins, sons in laws and her dear, dear friends.

We all loved her so much, she will be missed immensely.
